## BARTHOLDI'S "LIBERTY"

THE GREAT ARTIST SATISFIED WITH HIS WORK

and Satisfied With the Pedestal and Pesition-The Programme for Today's Unveiling.

New York, October 27 .- Tomorrow Waw York, Ostober 27.—Tomorrow will practically be a h 1 d y in this sity. It is as imaged that fully 30,000 men will be in the parade attendant upon the Berthold brants of liberty crements, a d that it will extend aeven miles. President Cleveland and intended to leave for Wasington immediative after the decic tion caremonics at B dloc's Island, but it is now maked that he will remain to a tend stated that he will remain to attend
the h nquel temorrow right. Cyrus
W. F.elo gave a breakfist at D imoniso's this morning to Count de Lesse, a
and his caughter and a number of
members of the French delegation.
In the Aldermanic Chamber Mayor Grace this afternoon tendered the "freedom of the City of New York" to be tholde and the other members

The Programme for Thursday, The Programme for the read of the Christer, the attng grand mach indither aval parade, has arranged the details of the ravel display Thursday. The Tennessee will be at suchor off the isla d, and the other men of wer and tricing ships will be a range a cog, as they a rive, in a line lowerd States I-land. The to the Bedire's Island pier and will serve as a bilge for the "cameart" people, whose teamer will n the able to reach the pier drectly. The offi-cers of the sumy and payy will then be landed and of er them the French gues's and the guests of the American Committee. Lest of all will come the President, the Cab net and all those who are to take part in any way in the ceremony of the unveiling. As

vanced to the front, and the entire necessary charges. It happened, by party stood graing reverently at the another lucky accident, perhaps, that I maked through college—and I

wished." He surveyed it critically with an arcini's eye, and exclaimed: "I think that wall is a little too high," pointing to the battlement which sup-por a the pedratal. "The line is to abrupt. There should be a gradual slope from the wa er. That, how-ver, can be done in time. Other sis I am pless d with it. It is se I wished. The off ct is grand. It does not can flet with the Booklyn bridge. They set off one ano her."

The ya ht had now reached the southers a de of the island, and M. Bar hold (and: "I think I like this view be t. I wish I had a photograph

nations-two republics." for a great work of act but this is sublime. It is simply faultiess. Lok at
the pose of that arm, the head, the
perfect expression of the face. It is
worth crossing the cosm to see. I do
not know of a mo unmint on the other
side that equals it. Lat us hepe that
until it crombles into dust—and that
would tale an elerative—there shall always exist a close friendship between ways ex at a close friendship between these two great nations, whose union of feeling is commemorates." M. Napolecn Nye said, "It is my first visit to America. I know I will be de ighted with your grand Republic. I am a true R publican at hear. This morning I have been delighted. I esteem it a great privilege to be able to participate in the core mostes." After crueing around and viewing the statue from different rounts a sie m. be from different points a steem lamber was lawered, into which M. Batholdi, M. de Les pa. Richard Thompson, Joseph Politzer, Richard Buler, G.n. Peleier, Mr. Seigman and Mr. King embarked and seamed for Liberty Idand M. Batholdi was the first one to land. Butboldi was the first one to land.
Gen. Poset er turned to a reporter and said: 'One can hardly realize the grandeur and magnitude of the work until one draws near to it. From the water it is g and—it is heartlin. From the water it is g and—it is heartlin. From the saine of the pederal set off the saine. It has an air of massiven as and sterright compatible with the idea of liberty. I think the situation is magnificent. Indeed, Liberty Is and was created for the staine, not the castor for the island."

"This must be a proud moment in this must be a proud moment in the consumption, scrofula, wasting diseases of cilidera, colds and chronic coughs, and in all conditions where

em vers much pleased with the excression of the face. It is a mply perfect; it has I st nothing by casting."

The pedestal was next examined,
and M. Bartholdi, accompanied be
Mr. Builer and M. de Lasseps and
others of the company, entered the
pedestal and ascended to the base.
M. Bartholdi expressed hims if at afied with the work. On descending
the said to M. de Lasseps: he said to M. de L'eseps:
'I' is a consolation to know that
this state will exist thousands of

years from now, long after our names shall have been forgott n."

Yes," said M. do Lesseps, "and as the symbol of these of shing sat c untry should cherish as a priceless treas-

ure—1, berty."
The rest of the party had reached the island when M. Eartholdi descended and congratulations poured in from

I am satisfied," said M. Bar holdi "It he realized my expectations. I could not have desired greater suc-

HIS STRUGGLES FROM BOYHOOD TO MASHGOD.

A Leaf From the Life of a Noble Citizen an Example for Fut-

ure Generations. The speech of the Hos. A. S. Hew-it, the Democratic candidate for Mayother men of wer and training ships will be sering a ongers they a rive, in a line boward be seen leland. The French ships will be drawn up to the morth of the tennessee, streaming un sowerd the North river. Few seam yachts have applied as yet for places in the naval traces on. The grand masshalise e pecially anxious to lave as many of these showy, creat arades beats on hand as point eand stongly argues all members of the American yacht cubs who can to take part in the naval demonstration. The Bree Line Transportation Company has soff-red the use of twenty-five of its stongly now that mere than stat. It is thought now that mere than stat. It is thought the win the part in the part in the part of the state to say a word about 1 now, but under all the circumstances. I have concluded that some go doney be done to a me stug-sling man if some of these happy accidents, and it was furnished with all the latest appliances for the demonstration of scence. The total loss is ethicated to did the latest appliances for the demonstration of the charge of the great andlence he add of the great and chemical appliance of the charge of the and of the great andlence he add of the great andlence he add of the great andlence he add of the great and chemical applia is thought now that mere than sixty vessels will take part in the para of Major General S. In field basissued the following orders in regard to the transporation of goods to the idant on Toursday. The President and his Cabinat will review the land parade from the sand near the Worth Monument, and will then be driven to the West Twenty than street pier to take passage on the hour for the etarting of the parade is not giver, but the need of the line must reach the Battery by 12:30 o'clock. An hour will be allowed here for the embarkation of the paradera. All pensors holding "platform tickets will be taken over an a special scamer a d landed first. By the time they have got full planession of the platform, the hoders of "rampan" tickets will get a chance. The "platform tickets will get a chance. The "platfor meet my quals and to measure my capacitis, such as they were, with these who begin life with equal changes with myself, which were an hone t mind in an honest body. The next accident was that Columbia College. lege, that time honored institution of

competition among the boys of the public schools, and 20,000 of us went Inte of twenty-one guns will be filed. When he takes his sear on the raised sprakers' stand the exercises will begin.

The Creater and His Creation.
On Tuestay, when the yac'st Tillie up oached the statue of Liberty on bedies I land, M. Barh lidi adanced to the front, and the entire.

Description of them was gunded to college, and honestly supported myself from the time I entired till I was graduated in four years by teaching those whom I could file to instruct. Not a dollar of burdes was imposed upon my parents, would have been glad to have met the land one of them was privated to college. Allen, who was form ry assistant ele k for Col. Bolton, into supprint in four years by teaching those whom I could file the instruction.

On total or, the was admitted to college, and honestly supported myself the file k for Col. Bolton, into supprint in four years by teaching those whom I could file the instruction.

On total or, the was admitted to college, and honestly supported myself the king of second class matter at the post office, was arrested this me ming for compilerly in the defactations of the College. A mentage was imposed upon my parents, when the year of Liberty on the file of the statue of the file of the statue of Liberty on the file of the file of the file of the file of the statue of Liberty on the file of the file majestic prepartions of the states, the pose of the flure and the glaciful arrangement of the massive dispery stood out in bold relief against the bright blue autumn sky.

More Bathold's eves filled with teats as she press of the hand of her friend, More, Glunz r, and exclaimed:

"How beautiful!" Mide Lesses and Gen. Peletter removed their hats. M. Bathold's to dislent for a few moments, and then turned to Mc. R chard M. But ev, and said: "It is as I wished." He surveyed it critically with an arcis's eye, and exclaimed: "I think that wall is a little too high," midwister in a borrowed suit of sailor's clothes—not a thing of my own—and I had three silver dellars in my pocket, which constituted my entire worldly wealth I was 22 years of age, and that accident was the turning point of my life. It taught mammuch, and first of all that I could a and in the presence of death w thout four and with a flinching. It taught me another thing, that my I fe,
